

Kebenaran bukanlah sesuatu di luar yang harus ditemukan, itu adalah sesuatu di dalam yang harus disadari.

OSHO

Engkau mulai melihat seluruh pola *pikiranmu*, bagaimana fungsinya - pertama berada dalam cinta, kemudian kebosanan, kemudian lagi dalam cinta, kemudian kebosanan - lingkaran berputar. Dan jika engkau memahaminya, tiba-tiba suatu hari pemahaman yang sangat jelas tentang omong kosongnya membawamu keluar darinya.

OSHO

A cluster of vibrant red maple leaves is positioned on the left side of the image, partially overlapping the text. The leaves are detailed with visible veins and are set against a plain white background.

“Meditation is enjoying oneself, just sitting silently doing nothing: happy, joyous without any reason, because all reasons come from outside. You meet a beautiful woman and you are happy, or you meet a beautiful man and you are happy – but the meditator is simply happy. His happiness has no reason from the outside world; his happiness wells up within himself.” Osho

OSHO

"If you look at the situation of the world you will be able to see what these politicians and priests have done to humanity: they have made it a hell.

There is no need to ask for any proof.

Now there is no need to ask whether hell exists or not.

Politicians and priests, in a deep conspiracy, have made hell a reality on the earth.

Who is going to follow them?

That's why they don't want you to be intelligent, they don't want you to think, they don't want you to be alert. They want you to live in a kind of deep sleep. They want you to be machines, not men."

**Meditasi akan membuatmu siap,
welas asih akan membuatmu
sempurna. Jadi bawalah dua
mantra ini: PRAGYA, meditasi,
KARUNA, welas asih - biarkan
keduanya menjadi tujuan.**

**Biarkan seluruh hidupmu
berputar di sekitar mereka, dan
segera engkau akan selaras.**

OSHO

Semakin dalam engkau berserah diri pada semesta, hidup, alam, semakin engkau menjadi penuh cinta, lebih pengertian, lebih berwawasan.

OSHO

***"Never ask anybody what is right and what is wrong. Life is an experiment to find out. Each individual has to be conscious, alert, and watchful, and experiment with life and find out what is good for him. Whatever gives you peace, whatever makes you blissful, whatever gives you serenity, whatever brings you closer to existence and its immense harmony is good. And whatever creates conflict, misery, pain in you is wrong."* - Osho**

"My whole effort here is to keep you as non-serious as possible, for the simple reason that meditation, all kinds of meditation, can make you too serious and that seriousness will create a spiritual disease and nothing else. Unless a meditation brings you more laughter, more joy, more playfulness, avoid it." Osho

OSHO

"Love should be like breathing. It should be just a quality in you – wherever you are, with whomsoever you are, or even if you are alone, love goes on overflowing from you. It is not a question of being in love with someone – it is a question of being love."

-OSH-

Jika engkau mencari Tuhan, engkau tidak akan pernah menemukan Dia - karena mencari berarti engkau sudah memiliki gagasan tertentu tentang siapa Tuhan itu. Dan gagasanmu pasti menjadi entah Kristen atau Yahudi atau Hindu atau Islam.

Gagasanmu akan menjadi pemahamanmu - dan pemahamanmu tidak pernah bisa lebih tinggi darimu. Dan pemahamanmu pasti terbatas pada pemahamanmu. Pemahamanmu pasti akan berakar dalam ketidaktahuan, pinjaman.

Paling banyak itu hanya keyakinan; engkau telah dikondisikan untuk itu. Lalu engkau terus mencari. Seseorang yang mencari kebenaran tidak akan pernah menemukannya, karena matanya sudah terkorupsi, dia sudah memiliki pemahaman tetap. Dia tidak terbuka.

OSHO

I am against...
All Organized Religions,
without any exception,
for the simple reason that...
Truth cannot be organized...
Love cannot be organized...
it is not politics.
~ Osho ~ Ananta

A person wearing a red t-shirt is shown from the chest up. Their hands are positioned in front of them, with fingers interlaced to form a heart shape. The background is a plain, light-colored wall.

My whole teaching is
simply this :
accept love celebrate
YOURSELF

Osho
